

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **People of MI v Joseph Frank Gerritsen**  
Docket No. **278513**  
L.C. No. **01-001086-FH**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),  
orders:

The delayed application for leave to appeal filed June 8, 2007, and motion to show cause are **DISMISSED** for lack of jurisdiction because the application was not filed within 12 months of the March 7, 2006 order that appointed appellate counsel. Like a normal case where counsel is appointed shortly after entry of a judgment of sentence, the appointment of substitute counsel a few months later in this case did not restart the time period in which to file the application for leave to appeal.
